Weapons, tobacco, illegal substances, and alcohol of any kind are not allowed in the YMCA summer programs. Our policy also means that toy guns, squirt guns, knives/weapons of any kind are not allowed and will be confiscated. Any violation may result in suspension.

Mission and Goals

Our Mission

Providing quality, affordable care for your children is not just a business to us. It is our mission – a vital part of our commitment to the community. It is an approach that includes unique programs to make sure kids stay motivated – intellectually, socially, emotionally and physically.

Because it is our mission to build strong kids, strong families, and strong communities, our YMCA will be around to provide a great place for your child to grow – now through adulthood.

The YMCA is driven by community need, guided by community volunteers and open to all. Subject to available resources, no person is denied participation in a YMCA program solely due to financial inability to pay the fee. The YMCA is a United Way affiliated agency.

Program Goals

YMCA School Age Programs will seek to:

- Create a safe atmosphere of learning that helps develop self-confidence and builds character through promoting the values of caring, honesty, respect, and responsibility.
- Help each child develop relationships with others and learn to work together in a cooperative manner.
- Involve and serve parents and families in significant ways that build upon their strengths.
- Use curriculum that supports child-centered and child-directed activities.
- Create an environment where team members are partners with parents and other caregivers, working together to help kids grow up healthy, happy and strong.

Curriculum and Character Development

The YMCA Child Care Curriculum is designed around the philosophy of Creative Curriculum, using centers and the environment to help children direct their learning opportunities. This curriculum incorporates large & small motor, creative, social, intellectual, and cognitive opportunities dependant upon what is developmentally appropriate for the child.

As with any YMCA program, the YMCA Child Care Curriculum is centered in the YMCA mission and program goals. Second only to relationships, a well-planned curriculum will help to define a child's experience in a YMCA program. YMCA curriculum is developed from the following:

- Specific needs and interests of the children
- Readiness for school and/or enhancement to school learning.
- Talents and abilities of team members
- Creative and unique opportunities to play
- Resources within the YMCA and the surrounding community
- Introducing children to diversity and other cultures including learning about and celebrating diverse holidays.
- The YMCA is a Christian organization and reserves the right to include songs, games, books, and other Christian learning's in our curriculum.
- Indoor and outdoor physical wellness

Parents can expect to see a posted curriculum plan in your child's program area as well as written notes home each week. Parents will also receive feedback from YMCA team members on how their child is doing in the program. Parents are always welcome to observe their child's program or speak to a YMCA team member about their child's experience in the child care program.

YMCA Character Development

At the YMCA, character development and values are a part of who we are. We reinforce the values you teach at home. The YMCA is committed to embracing and demonstrating character through the modeling and practicing of the four core values: caring, honesty, respect and responsibility. Our goal is to inspire the people we serve to believe in and act on these positive values.

General Program Information

Team Member Selection and Training

Staffs are selected based on their education and experience working with youth. Staffs are expected to demonstrate sound judgment, dependability, responsibility, and the ability to create an environment which reflects care, respect, and safety for youth. All YMCA staff must complete a background check before working in the program. Our staffs are experienced and caring, trained in working with youth and program safety including First Aid and CPR, and child abuse prevention.

Parent and Volunteer Participation

Parents are encouraged to participate in the program with their youth whenever possible. Parents are welcome on field trips as well as program activities. There are many opportunities for parents to volunteer within the program, such as helping at a community service project, get involved in a team building activity, sharing information about your career and educational background, and teaching life skills workshops with the children. Please see your Site Director/Coordinator for more details – volunteering will require prior planning and approval. Parent volunteers will not be allowed to supervise other youth in the program unless they have completed the volunteer process.

Program Access

The YMCA is committed to the policy that all persons should have equal access to its programs, facilities, and enjoyment without regard to race, ability, creed, national origin and sex. The YMCA will accommodate special needs into existing programs to the extent that financial and physical resources permit. So we may provide a positive experience, please contact the YMCA if your child (ren) has any special needs requiring any accommodations.

General Program Information (Continued)

Accommodation Process

Whether a child is non-disabled or has special needs, consideration is given to the individual needs of every child and the ability of the program to meet those needs. Please inform the YMCA during the enrollment process if you or your child requires any special accommodation. It is helpful for a smooth program transition to have a conference prior to enrollment. This information enables the YMCA to better meet your needs or those of your child, within available resources and to the extent reasonable. All staff that will be working with a child with special needs will be informed of how to care for or meet those needs in a timely fashion through a meeting or written notification.

Safe Boundary Information

1. The YMCA restricts staff from providing child care services off site for families they meet through their employment at the YMCA. This includes nanny services and babysitting.
2. Your child should not receive personal gifts from individual staff members.
3. Staffs are not permitted to individually transport program participants in their personal vehicles.
4. One child will not be alone with one staff member outside the hearing or vision of others.
5. The YMCA limits outside contact between staff and program participants

Data Privacy

The YMCA complies with state and federal privacy laws. Information gathered from the registration and health history forms is shared only with the YMCA team members.

Parent Communication

Parents are encouraged to communicate openly with YMCA staff about the program and their child. Staff will make an effort to communicate with parents/guardians on a daily basis about upcoming activities, child's behavior, or any program changes. Each child will also have a communication file. It is the parent's responsibility to check this file on a regular basis for any written communication (i.e. newsletters, calendars, and notes) from the program team, the Site Director/Coordinator, or the YMCA. A parent may request a conference with the Site Director/Coordinator at a mutually convenient time to discuss his/her child's overall development. YMCA staff may also request a meeting with a parent.

Family Events

Family Nights will be scheduled throughout the summer. These events are designed to involve your whole family in your child experience. It is a great time to meet the staff and other families in the program. Details regarding dates, times and activities will be available at the site.

Program Surveys

As a parent or guardian of a YMCA participant, you will receive a program survey to let us know the program's strengths and areas for improvement. Please take time to complete and return it to us. The surveys help us do a better job. We encourage regular informal conversations and phone calls with the YMCA team members.

General Program Information (Continued)

Parent Grievance Procedure

If you have a grievance regarding this program:

1. Immediately set up an appropriate time to discuss it with the child's program staff.
2. If it is not resolved, discuss it with the Site Director.
3. If it is still not resolved, discuss it with the Child Care Program Director.

We want to address any concerns or questions you or your child might have regarding the program. Please encourage your child to speak directly to any staff in the program about issues or areas they are uncomfortable with, so we can address them in a timely manner.

Program Rules

All children, team members and parents should be following the four core values of the YMCA: caring, honesty, respect and responsibility.

In addition to following the values program rules are:

1. Follow directions
2. Respect self, others and property
3. Use appropriate verbal and body language
4. Keep your hands and feet to yourself
5. Stay with the group

The overall safety of all children in the program is our highest priority. Please encourage your child to speak to a program staff if they are having any concerns with other participants or program staff.

Behavior Guidance & Non-Violence Policy

PHILOSOPHY

The YMCA strives to maintain a positive approach to managing children's behavior at all times. Team members establish and enforce clear and consistent limits and expectations for appropriate behavior. Team members deal with inappropriate behavior through various techniques including; modeling, distraction and redirection, adjusting the environment, cooperative problem solving and removal from the activity/area as a last resort.

PROCESS

As mentioned above, when positive behavior is displayed, the consequence is participation and enjoyment of planned activities. In cases of negative or inappropriate behavior, the following process will be employed:

Reasoning: Every effort will be made to help the child understand the inappropriateness of his or her actions and agree to an alternate form of behavior. When the conflict is child-to-child, every effort will be made to have them reason together face-to-face with staff facilitating.

Redirection: When reasoning has been pursued and behavior has not changed, redirecting the child from the activity involved to another program space for an appropriate amount of time will take place if necessary.

General Program Information (Continued)

PROCESS (Continued)

Child/YMCA Team Member Conference: When the program staff is not successful in correcting behavior, the Site Director/Coordinator is consulted and may decide on further appropriate action/consequences.

Conferences: If the parent needs to be formally involved in the process, specific changes in behavior will be requested, with specific consequences for noncompliance outlined. This is usually accomplished through the use of a Behavior Contract.

Behavior Contract: is used for a child who, after much effort and numerous attempts, has not been able to modify their behavior. Goals are stated in positive ways to help the child understand the desired behavior and the timeline are fair and realistic.

Suspension for Inappropriate Behavior: In order to provide a safe, effective program, suspension may occur for children unable to follow the Behavioral Guidelines. The Site Director/Coordinator and / or Program Director determine the length of suspension.

Removal from the Program: If the above process has not resulted in corrected behavior, the child will be removed from the program.

We reserve the right to bypass the above behavior steps at anytime and remove a child from our care for reasons of safety. If a parent is called to pick up a child for behavior, the child must be picked up within one hour.

To encourage positive choices our staff will:

- Protect the safety of the children and staff by establishing clear expectations and creating a safe environment
- Provide immediate and directly related consequences for a child's unacceptable behavior
- Anticipate problem situations and intervene by encouraging positive alternatives when possible
- Engage children in cooperative problem solving
- Model appropriate behaviors with children
- Tailor behavior expectation to the child's development level

Parent/Guardian Code of Conduct

To ensure that YMCA Programs are a positive and healthy atmosphere, this Code of Conduct sets forth conditions that parents/guardians are expected to follow and promote. It is our intent to have YMCA Programs represented in a positive manner at all times. In the event that parents/guardians cannot or will not uphold these conditions, those parents could face suspension from programs.

1. Parents/Guardians will conduct themselves in a manner that represents the four core values of the YMCA: caring, honesty, respect and responsibility.
2. Parents/Guardians must refrain from foul language at all times, while at a YMCA program location.

General Program Information (Continued)

PARENT/GUARDIAN CODE OF CONDUCT (Continued)

3. Parents/Guardians will not show or exhibit derogatory conduct toward any YMCA staff, participants, or other parents/guardians.
4. The misuse of drugs or alcohol at a YMCA location will be prohibited.
5. Parents/Guardians will not be allowed to take pictures/video of other participants or YMCA Programs.

Required Sign-in / Out Procedure

You must sign your child in every morning and out every afternoon. The sign-in/out sheet must be filled in every day with your FULL signature and time of drop-off or pickup.

Any authorized person who is picking up the child from the YMCA program must have available proper photo identification and may be checked by YMCA staff. This procedure helps to ensure the safety of your child and allows staff to determine which children are present at any given time. We require that all parents/guardians follow this policy. Failure to comply will result in dismissal from the YMCA program. The YMCA staff will ask to see a photo ID for all persons picking up participants, please do not be offended if they ask for identification. Staff may vary, please be prepared to show your photo ID daily.

Person Authorized to pick up your Child

The safety of all youth in YMCA programs is of primary importance. At the time of enrollment, the YMCA must be provided with names and phone numbers of persons authorized to pick up their child. For your protection, only persons authorized in writing by the parents and are 18 years of age or older may pick up your youth. If you have any questions or concerns about this please contact the Site Director/Coordinator.

You must inform the YMCA staff in advance, in writing, if someone OTHER THAN a parent/guardian or authorized person is to pick up your child. No phone authorizations will be accepted. In emergency situations, an exception may be made if the staffs are able to call back to a previously provided number on the emergency forms to verify that it was the parent/guardian that made the call.

If there is a court ordered custody agreement, the YMCA is legally bound to respect the wishes of the legal document. It is the responsibility of the guardian who holds legal custody to provide the YMCA with a certified copy of the most recent court order. This copy must be on file with the YMCA and updated by the custodial parent when necessary.

General Program Information (Continued)

Accidents

If your child has a minor injury, the YMCA staff will perform First Aid if necessary and notify you when you pick up your child.

If a serious injury should occur, the YMCA staff will perform First Aid and notify you to pick up your child immediately and let you determine if you should take your child to the doctor or dentist.

In case of an emergency the YMCA staff will:

1. Call 911, perform immediate First Aid, and contact you. After 911 have been called, it is then up to the emergency response team to decide what actions will be taken.
2. A staff will accompany the child to the hospital and stay until the parent/guardian arrives if emergency medical transportation is required.

If a parent/guardian is not able to be reached, we will continue to call through your designated emergency contact list until contact is made.

Exclusion of Sick Children

General Program Information (Continued)

Sending your child home due to illness or injury

If a child exhibits any of these illnesses while in the program, the child will be separated from the group and the parent/guardian will be called to come and pick up the child. If a parent or guardian cannot be reached; the emergency contacts will be called. Staff will continue to assess the child's condition. Because we are looking out for your child's best interests, you or another authorized adult must pick up your child *within one hour of being contacted*.
