We are located on the corner of University Avenue and 18th Street, in the heart of the University of Minnesota campus, conveniently located near parking ramps within walking distance .

Since we opened the doors of our new home in June of 2000, we have served as a classroom setting, staff retreat area and a conference center for various University of Minnesota departments while maintaining our mission and student programs.

We offer customized room set-up and have flip chart/white board easels, TV/VCR/DVD, overhead projector and LCD projector available for your use.
