The answers to the clues below reveal key letters needed to solve your *Unlock It!* adventure.

CLUE

While standing outside the welcome center building, take a moment to look around – 360 degrees – to notice the beauty. Set an intention to enjoy and explore. Also recall the name of this nature space.

1 **YMCA** \_\_\_\_\_

CLUE

Follow the signs toward the amphitheater. When you arrive, climb all four sets of stairs, counting each step as you climb. How many steps in total? Subtract 107 from that number and find the corresponding letter in the alphabet. Record that letter here.

2 \_\_\_\_\_ - 107 = \_\_\_\_\_ What letter is that number in the alphabet?

CLUE

Following the map, head east on the path toward the dock. As you approach the dock, there is a large, natural object perfect to sit on and look out at the lake. What is it?

3 \_\_\_\_\_

CLUE

Continue north on the path to the high ropes. Stand underneath the high ropes course and look up. The stepping stones are the same shape as a letter of the alphabet. What letter is that?

4 \_\_\_\_\_

CLUE

Head west toward the picnic pavilion and continue toward the climbing tower. How many cables support the climbing tower? Take that number and add 8.

5 \_\_\_\_\_ + 8 = \_\_\_\_\_ What letter is that number in the alphabet?

CLUE

Follow the path behind the tower, toward the farm. On the large red building, there is a hand-painted sign describing the activities held there. What is the first letter of the second word on that sign?

6 \_\_\_\_\_

CLUE

What is the color of the log cabin? The last letter in that color is your answer.

7 \_\_\_\_\_

CLUE

Head back south on the path toward the intersection shown on the map. There is a post with directional signs on it. What is the first letter of the top sign?

8 \_\_\_\_\_

CLUE

Stay right on the path from the intersection and continue toward the section of trail separated by two ponds. There is a tiny house on the pole – for what creature is it meant to provide shelter?

9 \_\_\_\_\_

CLUE

Follow the signs and map to the Horse Barn. On the barn, what letter of the alphabet is repeated on the main doors? Take that letter and subtract four letters in the alphabet. Record that letter here.

10 \_\_\_\_\_ 4 letters back in the alphabet = \_\_\_\_\_

You have completed all the clues. Return to the Welcome Center parking lot to finish your adventure.

Carry down the letters from the clues above into the placeholder shown for each clue #.
